PRIVACY STATEMENT: We collect your company and personal information in connection with our role as an industry association in order to process your application for membership and in providing information, advocacy, networking opportunities and other services. We may disclose your company and personal information to members of SACOME, event participants and other third parties when we consider this will be of benefit to you. By submitting this form you consent to us using and disclosing your company and personal information for these purposes. A copy of our Privacy Policy is available on request.

Business Profile/Activities/Operations

The Applicant hereby applies to be admitted as an:

Service/Industry Member Level

and upon admission as a member agrees to be bound by the Constitution of the South Australian Chamber of Mines and Energy Incorporated and the policies and directions of its Council.

The placement of companies and others within the membership and subscription framework is subject to a number of criteria including size, number of employees, level of activity and or production, nature of operations and investment in South Australia. Current subscriptions and advice on the appropriate membership level are available from SACOME.
