South Australian Chamber Of Mines & Energy

Industry Member Benefits Pack 2026

South Australian Chamber Of Mines & Energy

SACOME is dedicated to accelerating the growth and success of South Australia's resources sector, driving economic prosperity for its members and the state.

Through strategic advocacy and enabling members at every stage, we foster an environment where industry can thrive.

We are guided by values that prioritise being member-focused, collaborative, results-driven, trusted and accessible.

Why join SACOME?

Joining SACOME means becoming part of a powerful, connected and forward-looking community that puts your success at the centre of everything we do.

As a member, you gain a unified voice to government, ensuring your priorities shape the policies and decisions that influence our sector's future.

You're supported by committees, working groups and industry networks that help you collaborate, solve challenges and stay ahead of emerging issues.

Your achievements and expertise are amplified through tailored promotion, media representation and communication channels that elevate your profile with investors, stakeholders and the broader community.

You also gain access to exclusive insights, benchmarking data, strategic support from the SACOME team and member-only events designed to inform, connect and strengthen your organisation.

Practical benefits, from discounted services to access to professional meeting spaces, ensure you're equipped with the tools you need to operate confidently and effectively.

South Australian Chamber Of Mines & Energy

Membership entitlements

Advocacy

- Be part of a unified voice to state and Commonwealth Government and have the ability to influence policy decisions and shape priorities.
- Benefit from a positive, singular representation of industry interests to media.
- Ensure the industry is promoted at a high level as a secure investment option.
- Have the opportunity to provide input and receive insights into Government submissions and policy positions before public release, giving you real power to influence the future of our sector.
- Voting rights at the SACOME AGM.
- The right to use the SACOME member logo on your website and collateral.

Collaboration, committees & industry engagement

- Opportunity to guide the future of the industry by participating in SACOME committees.
- Access to dedicated working groups and emerging issues groups so you can ensure your views and issues are represented to key decision makers.
- The opportunity to attend information-sharing and collaboration events and sessions with colleagues and peers from across the sector.
- An easy and efficient way to drive industry-to-service industry connections.
